EDUCATION

"Dunarea de Jos" University

Automation and Systems Engineering

Galati, Romania

2023 - 2027

"Emil Racovita" Theoretical High School

Natural Sciences

Galati, Romania

2019 - 2023

TECHNICAL SKILLS

Programming Languages: Python, C++, HTML, CSS, JavaScript, LUA

Libraries and Tools: PyTorch, Tailwind, Pandas, Numpy, Git, Node.js

WORK EXPERIENCE

Web Developer

Freelancer

December 2025 - Present

- Development of responsive websites using HTML, CSS, JavaScript, and modern frameworks (e.g., React).
- Implementation of back-end functionalities with Node.js/ PHP/ Python.
- Collaboration with clients to define requirements and deliver projects on time.
- Management of hosting, domains, and databases.

Trainer — Internship

Logiscool - Romania, Galati

May 2025 - July 2025

- During the internship program at Logiscool, I had the opportunity to deepen my knowledge in digital education and programming for children and adolescents.
- Contributed to the development and implementation of interactive camps, supporting students in learning programming, robotics, and technology concepts in a creative and easy-to-understand manner.

PROJECTS

- **ANDZ.ro — Personal Portfolio** — Technologies used: HTML, CSS, Tailwind CSS, JavaScript (ES6+), GSAP, Lenis, Firebase [View Website](#)
- **CORELLE — Website Concept** — A website concept created from scratch for an imaginary nail product brand, featuring an authentication system, review system, shopping system, order tracking, and product wishlist functionality. [View Project](#)
- **BASS Industries — Website Concept** — A website concept created from scratch for an imaginary luxury hotel, featuring a reservation system and a review system. [View Project](#)
- **Python — C++ — Lua Projects** — Multiple personal projects uploaded to my GitHub profile, using Python, C++, and Lua languages. [Click Here](#)

PROFILE

- I am a 21-year-old student currently studying Systems Engineering at the Faculty of Automation. I am passionate about web development and enjoy creating user-friendly, visually appealing websites. I am a dedicated and detail-oriented individual who persists until achieving the desired result.

KEY SKILLS

- Attention to detail
- Dedication, effective communication
- Problem Solving
